Lodging & Transportation

Welcome to St. Louis, MO!

Clang, Clang, Clang
went the trolley...
ding, ding, ding went the bell...

- Judy Garland
"The Trolley Song"

At the end of the day, you need a soft mattress and fluffy pillow to rest your head at night. This town has plenty of great options, and getting around is easy, too. With shuttles, taxis and ride-sharing services, exploring the city is easy and convenient. (And, don't forget about the free trolley. Don't worry - They don't make you sing the trolley song to ride.)
